

Kings Langley Campaign Update: Spring 2019

Christian Aid Week: 12-18 May Helping expectant mums in Sierra Leone

It is the world's most dangerous place to become a mum. Every day 10 women die from giving birth. In Sawula district, the community struggle with a clinic which has no electricity and only two delivery beds.

Jebbeh is heavily pregnant but as her baby grows, it's not joy that fills her heart, but fear. When Jebbeh's sister Fatmata went in to labour, there were so few ambulances that Fatmata had no choice but to walk for three hours under the baking sun, to the nearest hospital. Jebbeh said: *"My sister was crying out with hunger. She died on the side of the road. She never gave birth"*.
